Reporting details

This error report includes: information regarding the condition of Google Chrome when the problem occurred, the operating system version and computer hardware in use, and the Internet Protocol (IP) address of your computer.

We do not intentionally collect your name, address, email address or any other form of personally identifiable information. However, the error report may contain customer-specific information in the collected data files. While this information could potentially be used to determine your identity, if present, it will not be used.

The data that we collect will only be used to fix the problem. If more information is available, we will tell you when you report the problem. This error report will be sent using a secure connection to a database with limited access and will not be used for marketing purposes.
