

# TravelMate 4060

Value Mobility Portables

***The TravelMate 4060 combines comprehensive connectivity with an excellent array of features to produce a superbly effective mobile computing solution – for top-class value.***

## ***Performance to Deliver***

With the performance of Intel® Centrino™ mobile technology at its core, up to 2048 MB of DDR2 system memory, and a sizable Ultra-ATA/100 removable hard disk, the TravelMate 4060 has the power to deliver in many settings.

## ***All-Round Functionality***

The TravelMate 4060 delivers all-round functionality, thanks to onboard audio and a 15.4" active colour widescreen display with productivity-boosting GridVista software to make the most of your display area. A dual layer DVD+/-RW drive

means compatibility with a variety of media formats as well as storage & backup flexibility. Comprehensive I/O ports including USB 2.0, an international modem and broadband-ready ethernet provide connection to a full range of peripherals and let you stay in touch. Acer's unique SignalUp high performance wireless technology, provides an unmatched wireless experience.

## ***Reliable From The Inside Out***

The TravelMate 4060 incorporates a distinctive new Folio design featuring smooth curves, subtle elegance, and is engineered with strong materials to ensure rugged performance. The touchpad incorporates no moving parts, which contributes to maintenance-free computing. The casing has been tested for drops, knocks, hinge life and applied pressure, to ensure long-term dependability.

## ***Peace of Mind***

With Acer as your computing partner, you can be sure of having the support of one of the world's largest PC brands. The Acer range of Notebook PCs features a local and international warranty, as well as access to a national call support centre for complete peace of mind.
